A passage is given with 5 questions following it. Read the passage carefully and choose the best answer to each question out of the four alternatives

In this age of texts and tweets, it is easy to send messages. You just press a few buttons, and boom! Your message is sent. The person to whom you sent it will get it in just a few seconds. Distance is no longer an issue. But things weren't always so easy.

In 1848 gold was found in California. Thousands of people rushed there to get some. Many people liked living there and decided to stay. But there wasn't a whole lot between California and Missouri, where the nearest trains ran. The train line to California wasn't finished until 1869. It took a long time to ride a horse to Missouri.

Imagine that it is the year 1860. You have moved to California to open a shop. Most of your family stayed back East. Your shop is doing well and now you want to your family to join you. How do you get news to them? There's no phone, no train, and you can't leave your shop for too long. What do you do? Well, you could use the Pony Express.

In 1860 and 1861, the Pony Express was the fastest way to get news to and from the West. The trail that they rode was around 2000 miles long. It took most people weeks or months to ride that far. The Pony Express could make the trip in just ten days. Those speeds were unheard of at the time. So how did they do it? Well, they had a good system.

The Pony Express had 184 stations along the trail. The stations were around ten miles apart. This is about how far a horse could run at a gallop before tiring. The rider would switch to a new horse at each station. He would only take his mail pouch with him. Every 75-100 miles, the rider would get to a home station. At each home station, riders would rest. Before resting, he would give his mail pouch to a new rider. The mail never stopped moving, even while the horses and riders rested.

महात्मा गाँधी का जन्म 2 अक्टूबर सन् 1867 को, पश्चिम भारत (वर्तमान गुजरात) के एक तटीय शहर में हुआ। इनके पिता का नाम करमचंद गाँधी तथा माता का नाम पुतलीबाई था। महात्मा गाँधी के पिता कठियावाड़ के छोटे से रियासत (पोरबंदर) के दिवान थे। आस्था में लीन माता और उस क्षेत्र के जैन धर्म के परंपराओं के कारण गाँधी जी के जीवन पर इसका गहरा प्रभाव पड़ा। जैसे की आत्मा की शुद्धि के लिए उपवास करना आदि। 13 वर्ष की आयु में गाँधी जी का विवाह कस्तूरबा से करवा दिया गया था। गाँधी जी का बचपन में पढ़ाई में मन नहीं लगता था पर बचपन से ही उन्हें उचित अनुचित में फर्क पता था। इनकी प्रारंभिक शिक्षा पोरबंदर से संपंन हुई, हाईस्कूल की परिक्षा इन्होंने राजकोट से दिया। और मैट्रीक के लिए इन्हें अहमदाबाद भेज दिया गया। बाद में वकालत इन्होंने लंदन से संपन्न किया। महात्मा गाँधी का यह मानना था भारतीय शिक्षा सरकार के नहीं अपितु समाज के अधिन है। इसलिए महात्मा गाँधी भारतीय शिक्षा को 'द ब्यूटिफुल ट्री' कहा करते थे। शिक्षा के क्षेत्र में उनका विशेष योगदान रहा। भारत का हर नागरिक शिक्षित हो यही उनकी इच्छा थी। गाँधी जी का मूल मंत्र 'शोषण विहिन समाज की स्थापना' करना था।

A passage is given with 5 questions following it. Read the passage carefully and choose the best answer to each question out of the four alternatives.

Honesty can enhance your happiness and well-being. This belief is well exemplified in a racing event of 2012. Kenyan runner Abel Mutai was only a few metres from the finish line, but got confused with the signs and stopped, thinking he had finished the race. A Spanish runner, Ivan

Fernandez, was right behind him and, realising what was going on, started shouting to the Kenyan to keep running.

Mutai did not know Spanish and did not understand. Realising what was going on, Fernandez pushed Mutai to victory. When a reporter asked Fernandez why he did that, his reply was, ‘My dream is that one day, we can have some sort of community life where we push ourselves and help each other win.’ The reporter insisted, ‘But why did you let the Kenyan win?’

Fernandez replied, ‘I didn’t let him win, he was going to win. The race was his.’ The reporter insisted and asked again, ‘But you could have won!’ Fernandez said, ‘But what would be the merit of my victory? What would be the honour of this medal? What would my mother think?’ He taught us one of the biggest life lessons that no victory is more valuable than being honest. True strength lies in helping honestly.

‘Goodness is about character — integrity, honesty, kindness, generosity, moral courage. More than anything else, it is about how we treat other people,’ says American writer Dennis Prager. Most of us want to attain greater happiness but we don’t believe in honesty. The more meaning and purpose we find in life, and the happier we feel, the more we feel encouraged to pursue even greater meaning and purpose.

A poem is given with 5 questions following it. Read the passage carefully and choose the best answer to each question out of the four alternatives.

Like as the waves make towards the pebbl'd shore,
So do our minutes hasten to their end;
Each changing place with that which goes before,
In sequent toil all forwards do contend.
Nativity, once in the main of light,
Crawls to maturity, wherewith being crown'd,
Crooked eclipses 'gainst his glory fight,
And Time that gave doth now his gift confound.
Time doth transfix the flourish set on youth
And delves the parallels in beauty's brow,
Feeds on the rarities of nature's truth,
And nothing stands but for his scythe to mow:
And yet to times in hope my verse shall stand,
Praising thy worth, despite his cruel hand.
